Cabinet Secretary Paula Robinson

District Treasurer Jim Lee

“SERVICE WITH DETERMINATION”

Lions of District 4-C3,
Governor's Message for May:

Our District Convention was held May 2-6 at Lion's Gate Resort in Sacramento. All those who attended had a great time. I had hoped the attendance would be higher. Zone Chair Linda Barbara and Global Membership Coordinator PDG Linda Griffin were presented with an International President Certificate of Appreciation. The Leo of the Year was President Haley Vandermy of the John Swett High School Leo Club. The Nancy Lemasney Award to a non-Lion went to Shirley Schroth of the Lions Center for the Visually Impaired. The Couple of the Year is 1st VDG Duke and Lion Teri Dunham. The Pioneer Lion Award went to Cabinet Treasurer PDG James Lee. The Lion of the Year is Zone Chair Frank Ma. Congratulations to all.

The Election results are as follows:

Next year's District Budget - Passed

Site for next year's convention - Lions Gate Resort in Sacramento

Second Vice District Governor Elect - Lion James Varghese of the Hayward Silicon Valley Indian Club.

First Vice District Governor Elect - 2nd VDG PDG Bill Ridle of the Crockett Lions Club.

District Governor Elect - 1st VDG Duke Dunham of the Ambrose Pittsburg Lions Club.

With the election of these gentlemen, our District is in good hands for the next 3 years!

We still have a month and a half until the end of the Lions year. I would like to see more clubs reporting their service to LCI. We have 42 active clubs and 34 clubs reporting service (81%) and 8 clubs NOT reporting (19%).

Let's all continue to "**SERVE WITH COMMITMENT**".

District Governor Elect 1st VDG Elect VDG Duke Dunham

Teri and I had a great time at our District 4-C3 convention. We hope everyone had the chance to drop by the hospitality room and share in the refreshments and fellowship that we had. We've received lots of positive feedback regarding the fun times.

Many thanks to Bill and Darlene Ridle and Denny and Susan Grotrian for hosting the room. Many thanks to PDG Kaz and his team for all their efforts putting together a great event. Whether or not you were in Sacramento this year, we want you to schedule the time next year to support our District Convention. I know some of our clubs are able to budget for one or more of their officers to attend. We'd love to see you there next year. We'll be having a meeting, to include our whole district, to discuss what you would like for next year's convention.

District Governor Skip with First Lady Karen presided over the event and provided us with lots of memorable times. All of our candidates were elected for next year. I can now be called District Governor Elect, and Teri and I were awarded the District 4-C3 Couple of the Year. We continue to assemble our team for next year. We have lots of work ahead of us.

We had a wonderful time at Special Kids Day at Freedom High School in Oakley, congratulations to the Delunas and that committee. The sun was out and there was a slight breeze that kept it comfortable. We changed the venue this year which created some challenges but everyone "stepped up" and our event was wonderful. It will be fun to hear how many volunteers were there (400?) and how many guests (1100?)

we had. It was heartwarming to walk around to the booths and see everyone having such a good time, volunteers and guests alike. I had a chance to man the Livermore Lions "Chuck Wagon" and cook hamburgers with our team of Lions Denny Grotrian, Steve Ranse and Valerie Griffin. Wow, lots of hamburgers. I know Rene and Maggie Deluna and the committee will start planning for next year real soon. Whether your club participated this year or not, you need to consider being a part of this signature event next year.

Our Berkley Host Lions Club is celebrating their centennial, the first club to do so in our district. This is truly a memorable happening and we're looking forward to it. PIP Joe Preston will be the keynote speaker. We have our tickets. Have you bought yours yet? Don't miss out.

Teri and I will be the guests of District 4-C6 at their convention in San Ramon this coming weekend. It's great fun to visit other districts and see what they do. Then in a couple of weeks we head down to Van Nuys for the Council of Governors which spans the weekend. Then we'll be home for a couple of weeks and it'll be off to Milan where we'll be made official at the LCI International Convention. We'll see you soon...

1st VDg Elect VDG Duke Dunham

SUNSHINE

Please contact Sue Langhorst (susielanghorst@gmail.com) for any Sympathy, Thinking of You, or Get Well cards you'd like to have sent from District 4-C3.

Thanks

L Sue Langhorst

1st Vice District Governor Elect

William "Bill" Ridle

Building for the Future

Congratulations Governor Skip and Karen on a great Lion's year. Thank you for showcasing Diabetes awareness (including juvenile diabetes). You certainly lived up to your motto "Service with Determination".

As we come to the end of the year, our focus is on membership in the district. The Rivertown Veterans Lions Club is chartering this month with 22 new lions members. They will be working hand in hand with Lions and Veterans to better serve our communities.

Special Kids Day this year was held at a new venue and was a great success. While we miss the DeLuna Ranch, Freedom High School offered new opportunities and will continue to grow and thrive under the guidance of Co-Chairs Maggie and Rene DeLuna and their family.

I want to thank the Crockett Lions Club for their continued support and sponsorship of the new Rivertown Veterans Lions Club. Join us at the Crockett Lions Club Pasta Feed on Saturday, June 29th at Saint Rose Church.

DGE Duke's Motto

“You are special; be grateful

When you rise in the morning, give thanks for the light, for your life, for your strength and be positive.

It is said that all of us are the wonderful creations of the good Lord above. Every creator loves each and every one of his creations, and will make sure that there is something special in each of those. In the same way, the god made us in such a way, that each and every human being is having something special in us, something that makes us unique. This something, may be something that someone else may not have.

Hence, when we as humans start comparing with each other, we realize that everyone around us is having something that we do not have. We fail to see what is that special something that God gave us. But, instead look at, all others around us, and start comparing. It is but natural, that in this world, a lot of things are seen as unfair, especially the wealth distribution. The point, though, is that wherever you are, you always have someone better to compare with. It is an unending saga!

A visually impaired person may envy those who can see, a deaf person may envy one who can hear, and so on. Let us remember this one quote that goes around. It says, “I was complaining about not having slippers on my feet, till I saw that person, who did not have feet”. If we start comparing, especially with those that are supposedly better than us, then there is no end. However, if at all we tempted to compare, let us do it with those less fortunate than us. That is when we will truly start appreciating what we have, and start being thankful.

Being thankful is very important in life, as it gives us a definite purpose for existence. It means that we realize what we have, acknowledge it and are thankful to God for that. It also means that by being thankful for what we have, we also acknowledge that there are many around us, who are not as fortunate. And this is what leads us (Lions) on the path of service to humanity with a will, to bring others up to a certain basic level, at least, if not as much as we. When we realize the importance of what we have, and how special it is, we will also learn to value it more, especially when we see those that are struggling without it. Hence, let us learn to always appreciate what we have and be thankful for it as well.

Once again, be grateful for what you have !!!

'Youth Exchange' Program is back in District 4 c3

-James Varghese, District Chairperson

"For a World of Understanding Through Lions Youth Exchange"

District 4 C3 is pleased to inform that it is now participating in the International Youth Exchange Program.

Criteria: Open to all students between the ages of 15 ½ - 21 who wish to do it in Japan and 17-21 for those who wish to do it in Europe.

Lions Club has been sending as many students as possible, around the world for this kind of interaction, since 1961. This program has been designed purely so, that the students get to experience another culture, by being in a different country and a culture, by experiencing it firsthand. We have seen that this brings about a better understanding of people and the diverse cultures, and it leads to more peaceful relations between the countries and the people. Our thousands of "ambassadors of goodwill," who need not necessarily be from the Lions family, are picked, not for their scholastic ability, but for their desire to learn about another culture. The countries with which we exchange, for a 3 weeks summer program are a few European countries, Brazil and Japan.

We solicit your support to spread the word to students in your locality about this wonderful program, which is a once in a lifetime opportunity for them to experience and learn a new culture and look at the world differently. Those students who would like to participate in this unique Youth Exchange Program, may contact the below mentioned officials at the earliest, to take this forward. The deadline time for submitting applications is March 31st. Participating students may also receive some scholarship, please apply early.

Please make a note of the date below:

California Students Going to Japan: Departure July 14th and return on August 4th.

Japan Students arriving in California on August 10th and return on August 25th.

European Students arriving in California on July 13th and return on July 28th.

For details, please contact: James Varghese - Youth Exchange Chair Person for District 4-C3. Email: james.varghese@comcast.net, Phone: (650)826-4632

We are happy to announce that Lions In Sight of California and Nevada has a new [website](http://www.lionsinsight.net)! Our former website is no longer active, so please visit and bookmark www.lionsinsight.net.

**TWO ROUTE CHOICES FOR
YOUR BOATING PLEASURE!**

The Rudy Award

The award is named in the honor of Daniel "Rudy" Ruettiger, who is famous as the inspiration for the 1993 film *Rudy*. Ruettiger strived to attend the University of Notre Dame and to play football for the Fighting Irish.

Ruettiger battled with dyslexia and the fact that he was much smaller than an average football player, standing just 5'6" and weighing 165 lb, he eventually overcame these obstacles to gain admission to the University as a transfer and make the football team as a walk-on.

In the only play in the only game of his college football career, he recorded a quarterback sack as fans cheered "RU-DY, RU-DY". Ruettiger is only one of two players in Fighting Irish history ever to be carried off the field on his teammates' shoulders.

In 2000, led by PDG Neil Desmond, the Crockett Lions established their Rudy Award program to honor inspirational students who exemplify "The Four C's": Character, Courage, Contribution and Commitment

For 2019 the Rudy Award winners and the date of presentation were:

Rodeo Hills Elementary

Winner: Regjai Hill

Award Ceremony: Wednesday, June 5th, 6 p.m.

Carquinez Middle School

Winner: Jamal Amaru Swain

Award Ceremony: Monday, June 3rd, 8:30 a.m.

And each student received a \$100 check . . . and certificates from Assembly member Timothy Grayson and Congressman Mike Thompson

We Build Bridges; Not Walls

Ln. James Varghese
(2nd Vice District Governor)

There is a reason why the word **TEAM** has been coined for what it stands for. **T**ogether, **E**veryone, **A**chieves, **M**ore. In a world where people usually thrive on egos and individual brilliances, words like these and the values associated with it, can help us guide our thoughts and deeds in the right direction. It is always easy to achieve things individually, especially if you are blessed with talent and brilliance. But, there is nothing as satisfactory as doing the same with a **TEAM** oriented approach. This means that we learn to live

in a society, and learn to take everyone along. We become inclusive rather than being exclusive.

It is always easier to build walls; we all know it and see it around us. The walls that we see may be, made of bricks and cement, or metal fences. But in reality, they all are walls of egos, exclusivity, intolerance, and an attempt to shut out those whom we think are different, and do not 'fit in' according to our needs and likes. Instead, if we try to build bridges, it is like an open invite to the other people to walk across that bridge and engage with us.

Many a times, we may be surprised by what we learn and like, when we start engaging with people around us, about whom we had some biases in our mind. By building bridges we are telling people, that we are compassionate and care by being open to listen, to what they have to say.

It is easy to fall prey to societal influences, especially the bad ones, however, we as Lions, should be role models in breaking the barrier of cultural differences and coming together as one, for serving the community. For us, this always has been, and should always be the only consideration. Service of Humanity.

We should consciously uphold diversity and believe in inclusivity which will transcend human differences, including but not limited to race, ethnicity, gender, gender identity, sexual orientation, age, social class, physical ability or attributes, religious or ethical value system, national origin, and political beliefs. This is what makes Lions stand out from the rest of the community and has also been the hallmark of our service across the many decades that we have been at it. Let us make a pledge to stay true to this value and make it an uncompromising one and set an example to not just the society, but more importantly for our next generation. Let us teach them that Together We Can Make a Difference; we have and we will continue to do so. Let's thrive on the togetherness and make it a celebration of mankind.

Pres. Kirk works at White Pony Express when he can, works at the Food Pantry at Queen of all Saints when he can. Connie works at the food distribution at Park Haven and also works at White Pony Express when she can.

They had a successful fundraiser at Pinky's on May 1.

They participated with Lioness district handing out of goody bags on Special Kids Day, helping out where possible at this wonderful event.

They also will be having their annual Golden Tee golf tournament on June 15

They are having a 51/49 raffle on July 2nd. Contact Pres. Kirk Norberg for tickets. 925-672-6188

Livermore Lioness News, donations and Volunteering

Celebrated their 35th anniversary with a yummy cake. Special Kids Day: Once we found our spot to set up the tables, set-up was easy. We did have help. Everyone had fun. We had 250+ bags to hand out. There were about 700 people attending the carnival/fair. Board Installation: Leslie will see if Tuesday, July 2nd (our General Meeting day in July) would be appropriate for the installation of officers. Still collecting hand made blankets for children hospital. Nina Abbott Award of \$500.00 and a plaque was awarded Zachary Williams, from Granada High School, with his parents in attendance Dan and Stacy Williams, This is scholarship award. Jeannie Bae from Livermore High School, regrettably, could not attend. Anita will give the award to her. Thank you Anita for all that you do. Sally and Anita requested a donation from the Livermore Lioness Club to Father Mark of St. Charles (a Catholic church in Livermore) to donate to a charity in Africa. We agreed to give \$100.00 each for the charity

**"Congratulations" to John Swett High School
Leo President . . . Haley Vandermey !!!**

Haley & Gov. Skip

Haley & her mother

Haley, Leo of the Year

"Congratulations" to John Swett High School Leo President . . . Haley Vandermey !!!

Lion Governor Skip Zehnder was present at our Wednesday morning Crockett Lions meeting to make the official presentation . . .Leo Haley is the "District 4-C3 Leo of the Year!"

We wish to recognize all the John Swett High School Leos for their commitment to "serving" the Crockett community and adhering to the Lion Association's Code of Ethics . . .

Also, a big "Thank You" to our Crockett Lion Leo Liaison Team - Mary Desmond, Mary Rinaldi, Patti Murillo & Ashley Farrell for all you do to make the Leo experience "special" . . .

- - "Going forward, the warehouse will NOT be open on the first Wednesday of the month. Beginning Wednesday, April 24, we will be open every 4th Wednesday from 9:00 am to 9:00 pm with lunch and dinner served to volunteers. The warehouse will continue to be open on the first and third Thursdays of every month from 5:00 pm to 9:00 pm, unless otherwise advised
