## Leading Lions to Excel

### Lions of District 4-C3 Lions:

This is the time of the year that as Lions we begin to think about the changing of leadership. As we prepare to move forward, remember that we have lots to accomplish before the end of the Lions year.

The Centennial Celebration is continuing and it is important that you are you reporting all of your service hours. If you have not done so, it is not to late to report your information to Lions Clubs International. Are you doing Legacy Projects and letting your community know of your prescience. A simple project is the placing of benches in city parks. There are several clubs that have already purchased park benches. Thank you and what a great way to put the Lions name forward.

It is now time to start planning on attending the District 4-C3 Convention being held at the Grand Sierra Resort in Reno, Nevada. On Thursday, May 3rd we are going to be able to join with the Lions of Reno for a picnic. How about starting the morning with "A Strides Walk"; a bowling tournament, costume parade; speakers and seminars; learn the latest from LCI from our International Director Don Noland and Lion Betty; find out what is happening throughout the state from our guests; hospitality by our candidates and so much more. The Governor Team encourages all Lions of District 4-C3 to attend and we are looking forward to seeing you! Viva Las Vegas!

Speaking of conventions, have you thought about the upcoming Lions International Convention being held in Las Vegas, Nevada. The on-line registration ends on Saturday, 31 March. Go to [lionsclubs.org](http://lionsclubs.org) and click on LCICON for all the information.

**Congratulations to all our new members! One of the best tools for recruitment is to encourage potential members to work beside you in a service project before joining your club. We have so much to be proud of and we need to continue to share our experiences. Continue to invite others to join us in the next 100 years of service. Our**

**The "Power of We" is evident in District 4-C3. We share our knowledge with others. We are assisting other districts with the formation of new clubs and support their projects. We are "Leading Lions to Excel."**

**Gov. Rajen Thapa**

**February was a busy month for the Lion Karen and I. From February 6th to February 11th we were in San Diego for the Council of Governors meeting and the State Convention. It was a productive time for both events. Before and after our time in San Diego the District Governor team made 8 club visitations during the month.**

**I'm constantly amazed at the service that the clubs are doing for our communities. We just need to make sure that all that service is being reported by club secretaries (or Global Service Team club chairperson). Remember even if the member is performing community service for another organization (or on their own) it should be reported.**

**Please plan to attend our 3rd District meeting at Bethel Island Scout Hall on March 24. We will have two excellent presentations and also a "tail gate" party after the meeting.**

**Don't forget about our District Convention at the Grand Sierra Resort in Reno on May 4-6. Club secretaries should have the registration forms.**

**Our District continues to lead in membership increase for the entire state but we don't want to become complacent. Every member needs to take membership growth as a personal task!**

**Yours in Lionism,**

**1st VDG Skip Zehnder**

## **Lions of District 4-C3**

**Teri and I had a great time in San Diego. The Council of Governors meeting ran into the MD4 Convention and lots of work was accomplished and lots of fun was had by all.**

**Of interest to us, District Governor Bob Stewart 4-C6, approved by the council of Governors has formed an ad hoc committee to circulate a petition and gather signatures to present to the DMV requesting the translation of the California drivers test to Nepali. Hopefully we've all signed.**

**Our Student Speakers contests have begun. I am always amazed with the thought and effort that our speakers put into their presentations. This years' topic, "Integrity and Civility Play What Role in Today's Society?" has provided the speakers with a wonderful platform to express their opinions regarding the current state of our country. I hope everyone takes the opportunity to hear what "tomorrow's leaders" have to say. Many thanks to our District SS Chair Nancy Miller for all she has done.**

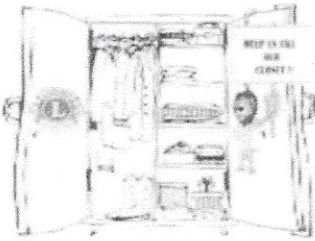

**Our District 4-C3 Convention in Reno is coming. We have received the information and forms. Please fill them out and get them in the mail. The committee needs the information as soon as possible. Let's help them do what they do. A great event is planned, don't be left out. We'll be looking for you in Reno. This year's theme is Viva Las Vegas.**

**Speaking of Las Vegas, now is the time to register for the 2018 LCI convention. With our international conventions being held all around the world, this is our chance to attend this wonderful event right next door in Las Vegas. Come meet fellow Lions from the various corners of the world and discuss Lionism. Find out how much we all have in common.**

**We continue to serve**

## LIONS CLOSET Bulletin Board Article 3

Lions Closet Thrift Store, 625 Railroad Ave, Pittsburg, CA

Hard to believe that at this writing, we are one month into a new year and new and exciting things are happening at the Lions Closet. We're busier than ever. For the first year, the Lions Closet completed most of its goals, however, this year we have one main goal and that is to tap into surrounding areas of Pittsburg by doing more advertising. We are sales driven and we need to procure new customers.

Our advertising goals and efforts will consist of:

- Advertisements in the Facebook Marketplace and surrounding areas
- Lions Closet Facebook page (like and share)
- Lions Closet website: [www.thelionscloset.com](http://www.thelionscloset.com)
- Door hangers (need volunteers to distribute)
- Internet sales (need volunteers to help setup and monitor)
- Craig's List
- Lions Club visitations (in progress)

If you can help in any of the above areas, contact me directly: Lilyan Sequeira at (650) 255-2048 or e-mail at [lilyan1949@yahoo.com](mailto:lilyan1949@yahoo.com).

As some of you may know, the Lions Closet had its 1<sup>st</sup> Annual Fashion Show April of 2017 and we are currently looking into the possibility of having a second one this year. More details to follow as we iron out the logistics. In the meantime, we have a "keepsake" fashion show calendar available for a mere donation of \$20. Get yours now as they are selling fast. Drop by the store. The layout and pictures are fabulous.

Please remember the Lions Closet's mission and that is to help the blind and visually impaired.

### STUDENT SPEAKER FOUNDATION

Have you ever wondered how the Student Speaker Scholarships are funded? Scholarships are funded TOTAL-  
LY by DONATIONS to the Student Speaker Foundation. YOU can help this wonderful California youth program.

Clubs and Individuals, consider giving to the Student Speaker Foundation by either a straight monetary donation or purchase of a Fellowship.

Contact Sue Langhorst for further information. [susielanghorst@gmail.com](mailto:susielanghorst@gmail.com) or 925-672-2541 or 925-890-6099. I will be happy to help you find the best way to help the Student Speaker Foundation.

Thank you!

**PENNY DRIVE**

What do you do with your pennies?  
Save them or throw them away?

I have a simple answer, save them and donate them to the Lions Eye Foundation for the "Penny Drive." This is a simple fundraiser and our goal is to raise money for equipment for the new Eye Clinic.

The goal is to collect 10 million pennies. Yes, that is a lot of pennies, but you do not have to count or roll them. Collect them at your club meetings.

Schedule a presentation by one of the Lions Eye Foundation Trustees or Advisors to speak to your club and learn what is new at 711 Van Ness, San Francisco.

This fundraiser will end July 2018 at the Annual Membership Appreciation Meeting.

Their annual Duck races will be held May 5th They have a potential new member Sally Greenwood.

**The Lioness of 4C-3** will hold their annual mini golf tournament at golfland in Castro Valley and afterwards go the Creamery social. June 2, 2018 (see flyers)

For nearly 100 years, Lions have served their communities with dedication and contributed to the development and well-being of millions of people around the world. To celebrate our 100th anniversary, we are asking Lions to help reach our Centennial Service Challenge goal of serving more than 100 million people by June 2018.

Your club can make a difference in your community and contribute towards the goal by participating in the Centennial Service Challenge Campaigns. You decide when to serve and which projects are right for your club and community.

## **LCIF Update**

Your Lions Foundation has been very active recently. After the devastating hurricanes and floods recently LCIF has sent grants of \$100,000 to Lions districts in the Houston area, and another \$100,000 has been sent to Lions clubs in Florida. Also the Lions in Mexico have received a grant of \$100,000 following the severe earthquake there. Lions clubs in Nepal were also given disaster relief grants after the major earthquake there two years ago. We expect more requests for disaster relief from Puerto Rico and other Caribbean islands as well.

Here in our district I am pleased to announce that four of our clubs have achieved 100% participation, meaning that the all the members of the club have donated a minimum of \$20 each to LCIF this year or last year. These clubs are Concord, Berkeley Host and Ygnacio Valley Lions.

The Alameda Breakfast Lions are 100% for both this year and last year also...that is wonderful. Thanks to all these clubs for your support for the goals of LCIF. DG Rajen and I would of course like to see ALL of our clubs participate in some way by donating at least \$100 per club this year.

As far as our fundraising this year, we have had exceptional response from our Lion members, especially with the terrible fires in Napa, Sonoma, and Santa Rosa. Our goal for the year was to raise \$30,000, and as of December 31, we were just over \$28,000. With a recent generous donation by the Crockett Lions, we are now over \$30,000, which is awesome. My personal goal now for District 4C3 this year is at least \$35,000, which I think we can achieve easily. Three years ago we raised over \$39,000, so it is a reasonable goal. With the recent destructive fires near Santa Barbara and Ventura, and the subsequent mudslides, the need is great, right here in our own state.

The next three years the major focus of LCIF will be in diabetes prevention and screening, as diabetes is a major cause of blindness. The previous three years our focus was on measles, and you should know that our efforts as Lions gave over 35 Million people vaccinations to help prevent the measles. We hope to achieve something similar in the next three years concentrating our efforts on Diabetes.

As always, I am available to speak to your club about the Lions Clubs International Foundation (LCIF)... please call me to set up a time to do a program for your club.

Thank you very much for all you do to support LCIF.
