District Governor Manil Shrestha Colaborative Leadership

Dear Fellow Lions and Leos,

HAPPY NEW YEAR!

Welcome to the new Lion year, 2023 - 2024! We are eagerly anticipating a multitude of new activities aimed at serving our communities, fostering fresh collaborations, and enjoying delightful moments of fellowship with our club members and their families.

Our Lions International President, Dr. Patti Hill, has urged us to become the “Agents of Change” - catalysts for positive transformation. Let us embrace change to enhance our community service, develop exemplary leadership qualities, and uplift those in need, thereby making the world a better place.

Imagine the profound impact we can create by fostering effective, lasting, and meaningful change. Envision broadening our reach by fostering inclusivity, extending a warm welcome, and displaying compassion. Picture ourselves engaging participants by offering them positive, enriching and enjoyable experience. Finally, let us contemplate how we can enhance our ability to adapt in their ever-evolving world through openness, flexibility, and creativity.

With the district theme for 2023- 2024, “Collaborative Leadership,” our aim is to leverage our imaginations and transform our dreams into tangible, positive change. As Henry Ford once said, “Coming together is the beginning, staying together is progress, and working together in success.”

Your new Club President and Board are prepared to execute their plans, and throughout the year, we will host a multitude of exciting and interactive events to both engage and support you on your path to success. We express our gratitude for the service you have rendered in the past and are confident that you will continue to provide invaluable contributions this year. Thank you once again!

Kindness Regards
Lion Manil B Shrestha

1st Vice District Governor Darlene Ridle

Twenty nine years ago I was invited to join the Lafayette Lions Club when I attended a fundraiser at the Lions Blind Center of Diablo Valley which is now called the Lions Center for the Visually Impaired. Over the years I have been involved in work parties at both Blind Centers, Bowling with the Visually Impaired clients, the build of Matteo's Dream Playground for children of all abilities, food drives, vision screenings, the Stand Down on the Delta, Special Kids Day and so much more.

Every year brings new challenges but no matter whatever the circumstances, during those projects there are special moments in which you realize that you are truly helping another person at a time in their lives when they really need it.

What could be better than that? That is what has sustained me over the years.

Here we are at the beginning of a new Lion year. It is in our hands how we will shape the year.

I call on all of you to join with me to support District Governor Manil. Let us all work as a team finding our collective strengths. All of us bring something to the table. What is your strength? Are you good with technology, a problem solver, a project person, a people person, a social media guru, a master at communications, a detailed oriented person, a perfectionist, an artist at design, a party planner. Whatever your talent is we need you and your ideas!

Let's do our best to create a positive environment in which we can thrive and attract new members and keep our existing members. If we are having fun and helping another person why wouldn't we share that experience with others.

Remember those club members that have been around, have experience, they have been there and done that not once but for many years. Be kind to them and listen to their comments. For those that have been there and have done it all, when a club member comes up with a new idea, be kind, listen to the ideas, encourage and support them. You may end up with a new project or fundraiser. But remember if you introduce a new idea be prepared to lead or be a major part of it, it is your idea. It is a win, win for all of us.

I look forward to seeing everyone as we make our way to each of the clubs in a visitation, a service project and / or a fundraiser.

We are here to support you. Share your service projects and fundraisers with us.

50% of our clubs are under 20.

If you think your club is too small to do a service project or fundraiser, is that still true if you got help?

Membership Share the Experience.

Uniting for Service: Supporting Lion Manil Babu Shrestha as District Governor"

As we embark on another Lion year, I am thrilled to offer my unwavering support to Lion Manil Babu Shrestha as our esteemed District Governor. Together, we will continue our journey of service with a renewed sense of enthusiasm. I firmly believe in the power of collaboration and am eager to work alongside Governor Shrestha, First Vice District Governor Darlene, and the Global Membership Team to devise and execute a comprehensive plan for membership growth throughout our district. As a team, we will visit clubs, engaging with fellow Lions and supporting both Governor Shrestha and Vice District Governor Ridle, all in the pursuit of strengthening our district. Let us embrace every opportunity and challenge that comes our way, united in our commitment to making a positive impact on our community.

I'm a dedicated Lion with a Passion for Service. I'm a native of Sunsari, Nepal and a true embodiment of the Lions' commitment to service. With a remarkable journey spanning several years, I've held various roles within the Lions organization, leaving an indelible impact along the way. In 2006, I joined the Berkeley Annapurna Lions Club as a Charter Member and Joint Secretary, marking the beginning of an illustrious Lions career. As a devoted leader, I served as the Club President for the 2012-2013 term and took on additional responsibilities as Club Secretary, Treasurer, Membership Chairperson and Service Chairperson on numerous occasions.

My dedication extends beyond the club's boundaries. I was pivotal as the Coordinator of the Student Speaker Contest, Blood Drive Program and fundraising events at the club level. Moreover, I took charge as the coordinator of the Medical Mission for Nepal, displaying my commitment to global service. My influence expanded as I became the Guiding Lion of Berkeley Makalu and assumed the role of Specialty Club Coordinator for Lions Club International.

Throughout my journey, I've received accolades for my outstanding contributions. I earned the MD4 Excellent Pin and received the International President's Certificate of Appreciation four times, recognizing me exceptional commitment to Lionism. In addition to my Lions involvement, I remain engaged in the Nepalese community, serving as an Advisor of the California Chapter of NWGN (Nepalese Women Global Network) and Treasurer of Nepal Endogenous Federation Society California USA.

Beyond my professional and Lions endeavors, I find joy in my personal life. Married to my husband Khil for 39 years, we reside in El Sobrante, California, along with our three sons, Utsav, Ujwal, and Prajwal, their three daughters-in-law, Pasang, Riza, and Neha, and their three grandchildren, Norah, Norden, and Cyra.

As I embark on my role as the 2nd Vice District Governor (Elect) for the 2023-2024 term in District 4-C3, my unwavering dedication and passion for service will continue to inspire and lead Lions towards making a positive impact in their communities.

Contact Me at 510-387-3123 to learn more about her remarkable journey and the upcoming initiatives I will champion as part of her Lions commitment.

As Lions, we understand the power of service and the impact it can have on our communities. As the District Administrative Assistant for Lions Clubs District 4-C3, I bring a wealth of knowledge and a deep understanding of the vital role played by administrative assistants in ensuring the success of our districts.

Lilyan Sequeira Global Service

Lilyan Sequeira, 4-C3 Global Action Global Service Team Leader 2023-2024

Have you heard the term “once a Lion, always a Lion”? That saying most definitely holds true, however, I also believe “once a Leader, always a Leader”. It is my honor and a great pleasure for me to have been asked and appointed your new Global Action Service Team Leader. To say the least, I will whole heartedly support DG Manil B. Shrestha in his quest to make District 4-C3 better and stronger by leading by example. No question is “insignificant” and I will get you an answer. I also have an open-door policy so feel free to contact me. My goal as your Service Leader will be to educate and train Club Secretaries and/or Service Chairs on:

- “What is service”?
- “How do we report service”? and
- “Why do we report it”?

I will work closely with Region and or Zone Chairs to help them recognize clubs that may be struggling with service projects by providing them with the necessary tools and resources to help make our clubs better and stronger. This is what DG Manil Shrestha means by “collaborative leadership” - leaders working together. I’m also looking forward to another great year.

Work hard and be kind.....Thank you, Lilyan

In 2014, I attended the Emerging Lions leadership training in Oakbrook, Illinois, and participated in ALLI 22 in Los Angeles. I am honored to have received many recognitions from the District and Lions International, including the Melvin Jones Fellow and the President's Recognition Award in 2022, as well as the President's Appreciation Award in 2023. I am deeply grateful for all the opportunities and recognition provided by Lions Club International and our District.

Currently, I am proud to serve as a Zone Chairperson in Governor Manil Shrestha's Cabinet for 2023-2024. This role presents an excellent opportunity to foster friendship, fellowship, and mutual understanding among the clubs entrusted to me. Together, we will strive to fulfill our goals using the "Project Life Cycle" approach.

Aligned with the Governor's theme of "Collaborative Leadership", I encourage the clubs in Zone 2 to collaborate on project initiatives and ideas, ensuring the continued success of our district.
